

Bethlehem Hills Christmas Light Park

Fall 2018

Dear Friend:

As the owner of Berkshire Hills Golf Course in Chesterland, I wanted to bring the magic of Christmas to Ohio families and, at the same time, give back to our community. I discovered a way to do just that through the creation of Bethlehem Hills Christmas Light Park.

From November 23rd through New Year's Day, Berkshire Hills Golf Course will be transformed into an enchanting winter wonderland. The 1.25-mile drive through 240 acres of rolling hills, woods and creeks will feature 40 Christmas light displays that utilize more than 2 million LED lights, each computer chipped to enhance the experience. Guests will set their car radio speakers to our Christmas Wi-Fi station that is synchronized with each exhibit. Handcrafted by local designer Rodney Nagy, the illuminated, animated exhibits include a Christmas Carnival, Candy Cane Village, an elaborate Nativity scene, Salute to Our Armed Services, Toyland, and many more.

Park admission is \$25 per car. Coupons for \$5-off-admission will be available online and through several Northeast Ohio retailers, libraries, schools, churches. Each admission includes a \$10 discount off a fresh Christmas tree, on sale alongside hot chocolate and other goodies at our festive North Pole (on site).

The lighting displays are spectacular, but the most important aspect of the park is that a portion of our proceeds will benefit the **American Cancer Society**, **Ronald McDonald House** and **Valor Retreat at High Rock**, a nonprofit organization that builds handicap-accessible, free-of-charge vacation cabins for returning service men, women and their families.

A visit to Bethlehem Hills Christmas Light Park is sure to become a popular Northeast Ohio Christmas tradition. If you would like to partner with us on this exciting venture, please review our sponsorship form. For more details, visit BethlehemHillsLights.fun or contact me at 440.478-9151.

It's almost time to follow the star to Bethlehem Hills Christmas Light Park! I hope we can work together this Christmas season.

Sincerely,

Walter Miraglia
